NOTE. 9.8.19.

Sri Siddalingeswaraswami temple at Yediyur in the Kunigal Taluk.

I submit herewith revision proposals in respect of the marginally -- noted Major Muzrai Institutions in the Tumkur District.

2. These proposals were drawn up by me after a personal inspection - and detailed enquiry and in consultation with the local officers and other persons interested in the institution The Deputy Commissioner who was also consulted states that the proposals are fair and may be sanctioned. The - - - slight alteration in the pay of the -- musicians of the Yediyur temple suggested by the Deputy Commissioner has been made.

3. The Memorandum in each case explains the scope of the revision. I request sanction of Government to the proposals.

4. The Deputy Commissioner's letter No.O.C.1608/1918-19 dated 28th July 1919, and the connected records are submitted.

Muzrai Superintendent.

Letter No. .C.1608/18-19 dated the 26th July 1919, from the : Deputy Commissioner, Tumkur District, to the Huzrai Superintendent in Mysore, Bangalore.

Adverting to your letter o.1502 dated 5/11th March 1919, calling for my opinion on revision proposals of certain uzrai Institutions, I have the honour to state that revision proposals of Damodardoss Sait's Charities at Nandihally and Huliyurdurga have not yet been received from your office.

2. As regards Hatyal Narasimhaswamy temple, both the Sub-Division Officer and the Amildar recommend the adoption of the revision proposals and as such they may be sanctioned.

3. As regards Devarayadroog Narasimhaswamy temple, the Sub-Division Officer reports that the proposals are liberal and fair. Hence they also may be sanctioned.

4. As regards Yediyur Siddalingeswaraswamy temple the Sub-Division Officer states that there is no necessity to reduce the Musicians' salary from Rs.150/- to Rs.138/- and that by reducing the amount only discontentment would be promoted. He also recommends that the contribution from this temple to Huzrai Establishment Fund should be reduced from 6¼% to 5% only as a large amount of funds is necessary for urgent repairs and improvements to the temple.

5. The amount proposed to be reduced in the salary of the musicians is so trifling, being only Rs.12/- a year, it is not worth-while to create any discontentment by a small saving. I am of opinion that the present scale of Rs.150/- may be kept up. The amount of Rs.12/- may be equally distributed between the four officials, (Pruti, Shari, Dewane, Jamate.)

6. As regards contribution towards establishment charges, I am of opinion that this being an institution with a small income, and a savings of only Rs.600/- per annum, it may be possible to reduce it to 5 as is done in the case of many other institutions.

7. As regards Nyamenamalu, both the Sub-Division Officer

and the Amildar recommend the adoption of the revision proposals. But a petition has been since received from the Archak suggesting modifications and also objecting to certain items. They don't recommend themselves to me. The scale as proposed may be sanctioned. His application is herewith forwarded for reference.

7. The 4 Revision proposals with the Sub-Division Officer's opinion accompany.

MEMORANDUM.

Proposals for fixing a revised scale of expenditure in the temple of Siddalingeswaraswami at Yediyur in the Kunigal Taluk.

The temple is a Muzrai Institution endowed with inam lands measuring e 153 acres and 23 guntas and assessed at Rs.107-11-0. The temple came under the management of Government in 1904 (vide Government Proceedings No.3848-56/ dated 10th June 1904).

These lands are in the enjoyment of the Archaks who are 12 in number and the income therefrom is estimated at Rs.400/-. The Nityakotle expenses are at present defrayed by the Archaks. They are not willing to surrender the lands and receive cash payments. The present arrangements may therefore be continued.

The main source of income to the temple is from collections made during the Jatra held every year and occasional collections in the shape of Kanikes for various vows. On a five years' average the temple gets an income of Rs.1151-3-2 a year exclusive of the income from lands. The existing scale of expenditure was fixed in Government Proceedings No.1205-6 dated 29th August 1907.

The following revised proposals are the

result of a detailed personal enquiry and the representations made by the temple servants and Dharmadarsis for increased expenditure.

ESTABLISHMENT.

A full time Parpathegar and a Kavalgar on Rs.5/- each have been newly provided for. The first appointment is necessary for the maintenance of regular accounts and exercising control over the other temple servants. A Kavalgar who will be the sweeper and care-taker of buildings is also necessary as there is work for more than one man, viz. the Jadmali.

Small increases have also been allowed to other servants resulting in a net excess of Rs.132/- a year.

NITYAKATLE.

There is no change under this item. The Archaks who are in the enjoyment of inam lands will meet the cost of paditara and Deeparadhane expenses fully on a scale consistent with the importance and popularity of the institution. The sum of Rs.200/- said to be contributed every year by the Gadag Swami for Dasôha to pilgrims visiting the temple should be brought on the accounts and given to the Archaks for expenditure according to actual requirements.

HETCHUKATLE.

Slight additions have been made to some

of the items of expenditure raising the total to Rs.202/- a year.

MISCELLANEOUS.

About 5 or 6 thousand cattle are reported to assemble during the annual Jatra which is held in the month of Chaitra. The question of levying a small fee to augment the resources of the temple deserves to be favourably considered.

A contribution of 6¼% may be levied on the temple income towards the Muzrai Establishment Fund.

The temple had a sum of Rs.5242-15-6 at its credit on 30th June 1918.

Proposals for fixing a revised scale of expenditure in the temple of Sri Siddalingeswara Swami at Yediyur in the Kunigal Taluk.
